LAND OF
'THE JUNGLE BOOK'

ABOUT PENCH

Nestled in the southern slopes of the Satpura ranges of Central India, **PENCH TIGER RESERVE (750sq kms)** lies in southern Madhya Pradesh, bordering Maharashtra and is located just 90kms from Nagpur Airport. Also known as 'The land of Mogli and Jungle Book', PENCH is a prime tiger country. The forest is rich in wildlife with dense population of cheetal, sambar, neelgai, gaur (Indian bison). The key predators here are the tiger followed by the leopard, wild dog and wolf. PENCH tiger reserve is among the best areas for bird watching with over 285 species of resident and migratory birds.

ABOUT

Located next to the **PENCH Tiger Reserve** in Central India, Olive Resorts are the ideal spot to get acquainted with nature in its serene beauty. Our hospitable naturalists and staff, ever willing to cater to your needs will help you discover the subtle

facets of nature - in its own mysterious ways. **Olive Villas, PENCH** is all about experiences. Sleeping in a private villa, close to nature in verdant farms, in the middle of wood, listening to the rhythmic chants of the beetles, waking up to the morning alarm set by the birds, sunrays peeping through the leaves...!!!

Marvel villa is the biggest and most luxurious villa in the resort. Available in two and three bed room options the villa has a striking visual appeal and offers a spectacular, contemporary living space, ideal for both short and long stays. The villa is approached through a beautifully manicured large private front garden and has all amenities to spend a wonderful holiday.

A homely one bed room villa with separate drawing room and pantry area complimenting the master bed room, these villas offer unmatched convenience for a small family. The villa is approached through a beautifully manicured private large front garden and has all amenities to spend a wonderful holiday.
